Can you imagine over 1,000 guests coming to your house for dinner?

HOPE House of Miller County does just that...feeding over 1,000 children and adults each and every month. Clients may request food only once per month and must qualify for need based on income and number of family members. There is quite a line at the first of every month because it is very difficult to make that one basket of groceries last.

A check for \$5000 from Kiwanis was presented this week to help support the day to day food and other expenses of HOPE HOUSE.

HOPE HOUSE is a multi denominational faith based organization founded over 13 years ago by several area churches. These founding churches continue to provide financial and financial support that makes HOPE HOUSE the success that it has become. HOPE HOUSE provides food and personal necessities, as well as other emergency assistance to residents in the Lake Area.

More than half of the funds required to provide the food for the food pantry are raised from sales of clothing and household items in the THRIFT STORE.
